PLEASE READ! IMPORTANT!

As an act of love **protecting you and others** around you, it is important that all of us keep our masks on **over our mouth and nose** at all times. If you have trouble breathing when singing, please **hum along or listen**. If you have trouble breathing otherwise, you may step outside for fresh air and then return. And even though we want to hug and pat each other, let's keep our social distance. No one likes this, **but let's do our best for each other**. Thank you, Sonny
